SUBJECT INDEX TO VOLUME 160

January–December 1995

A

Accreditation Council for Graduate Medical Education
  military surgery
    certification for, 100
Active duty
  soldiers' return
    after amputation, 82
  U.S. Army
    perceptions of Army Exceptional Family Member Program enrollees, 639
Acute respiratory disease
  adenovirus vaccines and
    U.S. military, 300
Adenovirus
  vaccines
    acute respiratory disease, U.S. military, 300
Adjustment reactions
  emotional and psychological
    HIV-positive test results, active Navy service members, 85
Aeromedical research
  human experimentation examples
    ethics, 12
Aircraft carriers
  USS Forrestal battle group
    inpatient care, 273
  wisdom tooth surgery
    intravenous sedation, Navy and Marine Corps, 398
Air Force
  aeromedical evacuation
    acute myocardial infarction patients, Europe, review, 491
  bulimic weight-loss behaviors
    military versus civilian weight management programs, 616
  compulsory dental care
    tooth loss, 194
  identification cards
    ABO and Rh blood type errors, 288
  medical center
    mistaken diagnosis of child abuse and neglect, three-year analysis, literature review, 15
Alcohol
  use
    smoking and, military retirees, 74
Alcohol and Drug Abuse Prevention and Control Program
  soldiers in predeployment treatment
    performance in Operations Desert Shield and Desert Storm, 631
Ambulatory/outpatient services
  model and methodology
    medical staff resources, 77
American Medical Association
  veteran health care
    policy evolution, 518
Ametropia
  epidemiology
    U.S. Army recruits, 89
Amputation
  soldiers
    return to active duty, 82
Analgesia
  labor comfort
    intrathecal narcotics and, high-quality U.S. Army health care, 217
Angiomatosis
  mediastinal
    case report, 362
Aorta
  transection
    secondary to rodeo injuries, case report, 422
Armstrong Laboratory
  working group
    findings on chronic health effects of sustained high-G exposure, 26
Army
  Alcohol and Drug Abuse Prevention and Control Program
    soldiers in predeployment treatment, performance in Operations Desert Shield and Desert Storm, 631
  clinical social work practice
    update, 283
  crew endurance guidelines
    aviators' perceptions about, survey, 21
  Croatian
    brigade offensive action including river crossing, medical corps support, 408
  Eisenhower Medical Center
    initial experience in managed care, 384
  family physician satisfaction, 501
  female dentists in
    origins, 57
  high-quality health care
    labor analgesia program, intrathecal narcotics and comfort, 217
  Madigan Medical Center
    experience in reducing duplicate hand and wrist series in the emergency room, 37
  National Guard
    activated mechanized infantry brigade, Operation Desert Shield, orthopedic casualties, 128
  Nurse Corps
    Operation Restore Hope and, 179
  officers with hearing loss and gunfire noise exposure
    self-reported elevated blood pressure, 388
  pilot trainees
    time-limited visual resolution evaluation, 279
  quartermaster post
    mobilization and rejection of IRR personnel, Operations Desert Storm and Desert Shield, 240
  Rangers
    fast-roping injuries, retrospective survey, 277
    injuries and illnesses, Operation Just Cause, 373
  recruits
    epidemiology of ametropia, 89
  Reserves
    readiness augmentation, 91C program, 203
  U.S. Military Academy
    effects of reduced fat intake on serum lipids, healthy young men and women, 527
  Walter Reed Medical Center
    osseointegrated implants for edentulism treatment, evaluation, patient recall, 355
Army Materiel Command
  Occupational Health Partnership Program
    new paradigm for occupational health services, 489
Association of Military Surgeons of the United States
  1994 Charles C. Porter Lecture Award
    women and military service, uncertainty and diversity, business as usual, 156
  1994 Edward R. Stitt Lecture Award
    VA decentralized hospital computer system, organizational analysis, innovation in a bureaucracy, 161
  1994 Federal Nursing Service Award
    components of health, levels of risk and, development of conceptual nursing model, 151
  101st annual meeting
    comments of the executive director, A12(4)
    keynote speech, responsibility for health care reform, 147
    program highlights, A8(4)
Atherosclerosis
  carotid
    current management, 107
Attention-deficit hyperactivity disorder
  adult
    three cases, 473
Aviators
  Army crew endurance guidelines and
    survey of perceptions, 21

B

Bacteriological warfare
  allegations
    Korean War, new studies disputing, 97
Base realignments and closures
  round II
    hospital closures and local retirees, 184
Belmont Report
  human experimentation
    ethics and, history, 7
Bicycle ergometry
  submaximal testing
    false-positive reduction, behavioral and environmental intervention, 347
Biological warfare
  history
    asps to allegations, 369
  twentieth century
    history and future, 547
Black men
  close shaving
    pseudofolliculitis barbae management, 263

Blood
type
ABO and Rh errors, U.S. Air Force identification cards, 288
Blood pressure
elevated
self-reported, Army officers with hearing loss and gunfire noise exposure, 388
Bombing
otologic features and teachings
Djibouti, 467
Bones
accessory
foot, clinical significance, 464
Book reviews, A3(3), A4(4), A4(7), A5(1), 272
Borrelia burgdorferi
antibody responses
Lyme borreliosis clinical symptoms and tick bites, Finnish Army recruits, summer training in endemic region, 453
Bosnia and Herzegovina
Croatia and
1991–1992 war in, work of Slavonski Brod General Hospital, 588
Sturba
organization and work of the Croatian Defense Council War Hospital, 62
Brain stem
pontomedullary junction lacerations
severe cervical hyperextension, spastic quadriparesis/dysarthria/dysphagia after, case report, 94
Breast
cancer
barriers to mammography screening, application of theory of reasoned action to, military beneficiary population, 431
Bulimia
weight-loss behaviors
military versus civilian weight management programs, 616
Bureaucracy
innovation in
VA decentralized hospital computer system, organizational analysis, 161
Burns
critical
patient air evacuation, Spain, 593

C

Cambodia
Somalia and
Australian soldiers in UN missions, doxycycline with or without chloroquine, malaria prophylaxis, 443
Cancer
invasive cervical carcinoma
abnormal cervical smears and, female military recruit population, 577
oral
squamous cell carcinoma, risk factors and clinical signs, report on 222 cases, 319
ovarian
clinical predictors in pelvic mass evaluation, 233
pulmonary scar carcinoma
case report and literature review, 537
Casualty processing unit
Operation Desert Storm
Navy nurses and combat, 614
Catheter
central venous
complications, case report, 270
Cerebral infarction
carotid atherosclerosis and
current management, 107
motor recovery after
neuropharmacological therapy and, 223
Cervical hyperextension
spastic quadriparesis/dysarthria/dysphagia after
pontomedullary junction lacerations, case report, 94
Cervical smears
abnormal
female military recruit population, 577
Children
abuse and neglect
mistaken diagnosis, three-year USAF medical center analysis, literature review and, 15
oral health of primary teeth, 290
Navy
psychiatric hospitalization, effects of father's absence on, 104
premedication
midazolam for, comparison of rectal to intranasal administration, 579
Chloroquine
doxycycline with
malaria prophylaxis, Australian soldiers, UN missions in Somalia and Cambodia, 443
Cigarettes
smoking
prevalence, male veterans with chronic spinal cord injury, 308
Civilian Health And Medical Program of the Uniformed Services
psychiatric inpatient costs
military versus contractor management, Fort Polk experience, 242
Clinical research
emergency circumstances
informed consent in, 1995 FDA/NIH public forum, review, 599
Clomiphene citrate
induced quintuplets
delayed-interval delivery, failed attempt, case report, 646
Coccidioidomycosis
California outbreak
global diagnostic challenge and, 304
Collision
high-speed
at sea, Swedish Royal Navy, social support for psychological stress after, rescue workers, 323
Combat
battlefield trauma care
advanced technology, 1
post-traumatic stress disorder
delayed and immediate-onset, clinical characteristics, 425
support hospital deployment
stress and arousal during sleep, 581
Commissary
tobacco sales
elimination, editorial, 543
Composite Health Care System
clinical preventive services
accountability and, 297
Coronary artery bypass
grafting
chronic immune-mediated thrombocytopenic purpura, preoperative intravenous immunoglobulin and corticosteroids, case report, 624
Cosmetics
hormone-containing
signs of early sexual development and, 628
Crime
military shoplifting
psychiatric theories, literature review, 404
Croatia
Army brigade
offensive action including river crossing, medical corps support, 408
Bosnia-Herzegovina and
1991–1992 war, work of Slavonski Brod General Hospital, 588
maxillofacial war injuries
civilians and servicemen, 121
Požega Medical Center
unaffected by direct war activities, surgery service war-related transformation and work, 604
post-traumatic stress disorder
effect of different traumatic experiences on development, 635
1991–1992 war
anti-personnel mines, foot injuries, 177
East Slavonia front, formation and organization of military medical service, 412
wounds in Šibenik area, 124
Culex tritaeniorhynchus
Japanese encephalitis and
relevance of vectors to disease risk, Okinawa, 172

D

Delivery
delayed-interval
failed attempt, clomiphene-induced quintuplets, case report, 646
Dentistry
commonly dispensed medications
significance, U.S. military installation, 513
compulsory dental care
tooth loss during, Air Force, 194
emergency visits
Marine Corps personnel, 555
military conditions
xylitol as plaque-control agent, Finnish Army, 256
oral squamous cell carcinoma
risk factors and clinical signs, report on 222 cases, 319
personnel
epidemiology of hand dermatitis, 335
U.S. Army
female dentists in, origins, 57

Dentures
ill-fitting
orofacial pain from, case report, 366
Department of Veterans Affairs
decentralized hospital computer system
organizational analysis, innovation in a bureaucracy, AMSUS 1994 Edward R. Stitt Lecture Award, 161
mental health services
avoidance by Vietnam veterans, post-traumatic stress disorder, 136
mortality in U.S. veteran populations
World War II veteran twin study, 351
ophthalmic laser program
initiation, 381
Deployable Medical Systems
Navy fleet hospitals
medical department operations, Operation Desert Storm, 391
Dermatitis
hand
epidemiology, dental personnel, 335
Developing countries
short-term medical field missions
MEDCAPs, 339
Diagnosis
adult attention-deficit hyperactivity disorder
three cases, 473
coccidioidomycosis
California outbreak, global diagnostic challenge and, 304
mistaken
child abuse and neglect, three-year USAF medical center analysis, literature review and, 15
Dialysis
chronic peritoneal
rapid onset penile and scrotal edema in, from occult inguinal hernia, case report, 597
Diarrhea
gastroenteritis and
pathogen survey, U.S. military personnel, Operation Bright Star '94 in Cairo, Egypt, 331
morbidity
Dutch military service men, Zaire, 446
Diaschisis
cerebral infarction and
motor recovery after, neuropharmacological therapy and, 223
Diet
fiber content
six-day weighed military ration, 438
reduced fat intake
effects on serum lipids, U.S. Military Academy, healthy young men and women, 527
Digital imaging
35-mm images versus
comparative study, 470
Disease
diarrhea
morbidity in Dutch military service men, Zaire, 446
infectious
California coccidioidomycosis outbreak, global diagnostic challenge and 304
nonbattle injuries and
comparisons across military operations, 258
Dogs
U.S. military
Vietnam service, effects on testicular pathology, cohort study, 248
Doxycycline
with or without chloroquine
malaria prophylaxis, Australian soldiers, UN missions in Somalia and Cambodia, 443

E

Edema
penile and scrotal
rapid onset, occult inguinal hernia and, chronic peritoneal dialysis patients, case report, 597
Edentulism
partial and full
treatment with osseointegrated implants, patient recall, evaluation, Walter Reed Army Medical Center, 355
Editorials
Commissary Tobacco Sales: The Elimination of a Historic Artifact, 543
Good Lord, Deliver Us, 545
Emergency care
clinical research in
informed consent and, 1995 FDA/NIH public forum, review, 599
critically burned patients
air evacuation, Spain, 593
Emergency room
reducing duplicate hand and wrist series in
Madigan Army Medical Center experience, 37
Emphysema
deep cervical
hypopharynx perforation and, from blunt external trauma, case report, 479
Encephalitis
Japanese
Okinawa, relevance of mosquito vectors to disease risk, 172
Endurance
helicopter crew
Army guidelines, survey of aviators' perceptions about, 21
Enteropathogens
acute gastroenteritis and diarrhea
pathogen survey, U.S. military personnel, Operation Bright Star '94 in Cairo, Egypt, 331
Epidemiology
ametropia
U.S. Army recruits, 89
dichotomy
meningioma after head trauma, case report, 92
hand dermatitis
dental personnel, 335
Ethics
human experimentation
aeromedical research examples, 12
history, 7
Ethnic cleansing
1991–1992 war against Croatia
wounds in Šibenik area, 124
Evacuation
aeromedical
U.S. Air Force, acute myocardial infarction patients, Europe, review, 491
air
critically burned patients, Spain, 593
Exceptional Family Member Program
U.S. Army
perceptions of active duty enrollees, 639
Executive leadership
Measures of Effectiveness
methodology for integrating planning/measurement/continuous improvement, National Naval Medical Center, 189
Experimentation
human
ethics and, history, 7
Eyes
ophthalmic laser program
initiation for VA outpatients, 381

F

False-positives
reduction
submaximal bicycle ergometry testing, behavioral and environmental intervention, 347
Family
Army Exceptional Family Member Program
perceptions of active duty enrollees, 639
Army physician
satisfaction, 501
illness
effects of soldier functioning under chronic stress, 457
practice management
overseas theater, 564
Far Forward Telemetry
advanced medical battlefield technology
editorial, 545
Fast-roping
injuries
U.S. Army Rangers, retrospective survey, 277
Fat
reduced intake
effects on serum lipids, U.S. Military Academy, healthy young men and women, 527
Fathers
Navy
psychiatric hospitalization of children, effect of absence on, 104
Fetus
platelets
immune thrombocytopenia purpura management and, military medical center, 620
Fiber
dietary content
six-day weighed military rations, 438
Field missions
short-term medical
developing countries, MEDCAPs, 339
Foot
accessory bones
clinical significance, 464

G

Gastroenteritis
diarrhea and
pathogen survey, U.S. military personnel, Operation Bright Star '94 in Cairo, Egypt, 331
German Armed Forces
surgical training status, 359
Gestation
less than 20 weeks
partial hydatidiform molar pregnancy, presentation with severe preeclampsia, case report, 42
Glucose
monitoring devices
hyperbaric chamber and, evaluation, 143
Golden Gate Bridge
high-velocity impact water trauma and
history, Letterman Army Medical Center, 197
Graft
coronary artery bypass
chronic immune-mediated thrombocytopenic purpura, preoperative intravenous immunoglobulin and corticosteroids, case report, 624
Granuloma
plant thorn
case report, 39
Gulf War syndrome
Persian Gulf illnesses
preliminary neurological impressions, 505
physical health symptomatology
service personnel from Pennsylvania and Hawaii, 131
Gunfire
noise exposure
hearing loss and, Army officers with, self-reported elevated blood pressure in, 388

H

Hand
rehabilitation
application of dental technology to, case report, 420
wrist and
reducing duplicate series in the emergency room, Madigan Army Medical Center experience, 37
Handicap
Army Exceptional Family Member Program
perceptions of active duty enrollees, 639
Health
behaviors
military retirees, incidence of smoking and alcohol use, 74
chronic effects of sustained high-G exposure
Armstrong Laboratory working group findings, 26
components
levels of risk as, development of conceptual model for nursing, AMSUS 1994 Federal Nursing Service Award, 151
occupational
respiratory protection, update, 168
U.S. Navy hearing conservation program, effectiveness, 219
oral
primary teeth, child abuse and neglect cases, 290
physical
symptomatology, Gulf War-era service personnel, Pennsylvania and Hawaii, 131
Health care
CHAMPUS
psychiatric inpatient costs, military versus contractor management, Fort Polk experience, 242
changing service delivery
patient satisfaction survey and, Irwin Army Community Hospital, 486
clinical preventive services
accountability and, 297
family practice management
overseas theater, 564
high-quality
U.S. Army, labor analgesia program, intrathecal narcotics and comfort, 217
inpatient
USS Forrestal aircraft carrier battle group, 273
managed care
Eisenhower Army Medical Center, an initial experience, 384
medical staff resources
model and methodology for ambulatory/outpatient services, 77
medication knowledge and compliance
impact of pharmacist counseling, 561
new paradigm
Occupational Health Partnership Program, 489
obesity treatment program
U.S. Navy, 326
presumed traumatic spondylolysis
nonoperative treatment, young patients, 553
radiation safety training program
National Institutes of Health, 115
reform
responsibility, AMSUS 101st annual meeting keynote speech, 147
U.S. Army
clinical social work practice, update, 283
veterans
AMA policy evolution, 518
Hearing
conservation program
U.S. Navy, effectiveness, 219
loss
Army officers, gunfire noise exposure, self-reported elevated blood pressure in, 388
Helicopters
rotor strike
degloving injury, case report, 644
Hemiparesthesia
Wildervanck's syndrome presentation
case report, 208
Heparin
nitroglycerin and
simultaneous intravenous administration, effect on partial thromboplastin time, 449
Hernia
occult inguinal
cause of rapid onset of penile and scrotal edema, chronic peritoneal dialysis patients, case report, 597
High-G exposure
sustained
chronic health effects, Armstrong Laboratory working group findings, 26
Hirschsprung's disease
trisomy 21 and
inflammatory pseudocyst associated with, case report, 477
Homicide
victims
military, 1980–1992, 51
Hormones
cosmetics containing
signs of early sexual development and, 628
Hospitals
fleet
medical department operations, Operation Desert Storm, 391
intensive care units
census, mathematical models for prediction, 227
Irwin Army Community Hospital
patient satisfaction survey, changing delivery of services and, 486
military
closures, local retirees and, 184
military teaching
Keesler Medical Center, urinary incontinence procedures, 612
military community
reengineering for TRICARE, Medical Group Practice Model, 235
psychiatric admission
Navy children, effect of father's absence on, 104
Slavonski Brod General Hospital
work during 1991–1992 war in Croatia and Bosnia-Herzegovina, 588
specialty military medical clinics
soldiers in, pain complaints and psychological distress, 213
VA
decentralized computer system, organizational analysis, innovation in a bureaucracy, 161
war
Croatian Defense Council, organization and work, Sturba, Bosnia and Herzegovina, 62
Human immunodeficiency virus
positive antibody test
emotional and psychological reactions, Navy service members, 85
Humanitarian missions
Vietnam
Operation Babylift, reflections 20 years later, 584
Human papillomavirus
abnormal cervical smears
female military recruit population, 577
Hyperbaric chamber
glucose monitoring devices in
evaluation, 143
Hypopharynx
perforation
deep cervical emphysema and, from blunt external trauma, case report, 479

I

Immune thrombocytopenia purpura
management
military medical center, 626

Implants
osseointegrated
edentulism treatment, evaluation, patient recall, Walter Reed Army Medical Center, 355
Individual Mobilization Augmentation
effective total force partnership
a recipe, 496
Individual Ready Reserve
mobilization and rejection
U.S. Army quartermaster post, Operations Desert Storm and Desert Shield, 240
Infection
vascular
exceeding the threshold, 609
Informed consent
aeromedical research
human experimentation examples, ethics and, 12
clinical research in emergency circumstances
1995 FDA/NIH public forum, review, 599
Injuries
battle trauma and
nutrition support approaches, military practice and civilian lessons, 312
chronic spinal cord
male veterans, prevalence of cigarette smoking, 308
degloving
helicopter rotor strike, case report, 644
fast-roping
U.S. Army Rangers, retrospective survey, 277
illnesses and
Operation Just Cause, Army Ranger unit, 373
maxillofacial
civilians and servicemen, Croatian war, 121
nonbattle
disease and, comparisons across military operations, 258
orthopedic
Operation Desert Shield, activated National Guard mechanized infantry brigade, 128
U.S. prisoners of war, Operation Desert Storm, descriptive analysis, 175
rodeo
aortic transection secondary to, case report, 422
venous
military versus civilian experience, 396
Intensive care units
census
mathematical models for prediction, 227

J

Joint Commission on Accreditation of Healthcare Organizations
triennial visit
preparation, 344

K

Kleptomania
military shoplifting
psychiatric theories, literature review, 404
Korean War
bacteriological warfare allegations
new studies disputing, 97
general surgeon in
two-year MEDDAC experience, T8

L

Laparoscopy
lymph node dissection
pelvic malignancy, evaluation and management, 462
Leonard Wood
surgeon/soldier/administrator
history, 32
Letterman Army Medical Center
high-velocity impact water trauma
Golden Gate Bridge and, history, 197
Letters to the editor
The Fairness Issue, A4(2)
The Hot Zone, A6(5)
Placebo Methylphenidate Tablets, A6(5)
The Practitioner, the Patient, the Resident, and the Pharmaceutical "Gift," A10(9)
Septicemia Due to Contaminated Intravenous Fluids: A Point to Remember, A12(10)
Triage of American Combat Casualties, A11(10)
Lung
pulmonary scar carcinoma
case report and literature review, 537
Lyme borreliosis
clinical symptoms
tick bites, *Borrelia burgdorferi* antibody responses, Finnish Army recruits, summer training in endemic region, 453
Lymph nodes
laparoscopic dissection
pelvic malignancy, evaluation and management, 462

M

Machine gunner
posterior interosseous nerve palsy
case report, 364
Magnetic resonance imaging
diagnosis
second trimester uterine atony imitating ectopic pregnancy, case report, 534
Malaria
encephalitis and
Okinawa, relevance of mosquito vectors to disease risk, 172
prophylaxis
doxycycline with or without chloroquine for, Australian soldiers, UN missions in Somalia and Cambodia, 443
Mammography
barriers to screening
reasoned action applied to, military beneficiary population, 431
Managed care
Eisenhower Army Medical Center
an initial experience, 384
Marine Corps
emergency dental visits, 555
Navy and
wisdom tooth surgery, intravenous sedation, aircraft carriers, 398
Maxillofacial injuries
war in Croatia
civilians and servicemen, 121
Measures of Effectiveness
National Naval Medical Center
methodology for integrating planning/measurement/continuous improvement, 189
Mediastinal angiomatosis
case report, 362
Medical Civic Action Programs
short-term field missions
developing countries, 339
Medical Group Practice Model
military community hospitals
reengineering for TRICARE, 235
Medical service
military
formation and organization, East Slavonia front in 1991–1992 war in Croatia, 412
Medication
20 commonly dispensed
U.S. military installation, significance to dentists, 513
knowledge and compliance
pharmacist counseling and, 561
prescribed use
troops in Somalia, pharmacoepidemiological analysis, 571
Meningioma
post-traumatic
epidemiologic dichotomy explanation, case report, 92
Mental health care
ambulatory services
U.S. Army combat support post, Operation Desert Storm, 507
VA
avoidance by Vietnam veterans, post-traumatic stress disorder, 136
Microparticle immunoenzymatic assay
characterization
comparison with monoclonal immunoradiometric assay, detection of prostate specific antigen, 416
Midazolam
premedication of children
comparison of rectal to intranasal administration, 579
Military
beneficiary population
barriers to mammography screening, reasoned action applied to, 431
certified nurse midwives
twenty years of service, 401
community hospital
reengineering for TRICARE, Medical Group Practice Model, 235
Dutch service men
diarrhea morbidity, Zaire, 446
female recruit population
abnormal cervical smears in, 577

German
surgical training status, 359
homicide victims
1980–1992, 51
hospital closures
local retirees and, 184
installation
20 commonly dispensed medications, significance to dentists, 513
Marine Corps
emergency dental visits, 555
medical center
immune thrombocytopenia purpura management, 620
medical service
formation and organization, East Slavonia front in 1991–1992 war in Croatia, 412
retirees
smoking and alcohol use incidence, 74
shoplifting
psychiatric theories, literature review, 404
specialty medical clinics
soldiers in, pain complaints and psychological distress, 213
suicides
1980–1992, 45
surgery
certification, 100
teaching hospital
Keesler Medical Center, urinary incontinence procedures, 612
veterans
self-care styles, 521
working dogs
Vietnam service, effects on testicular pathology, cohort study, 248
Million Clinical Multiaxial Inventory II
psychotic/neurotic/post-traumatic stress disorder profiles
compensation and pension evaluations, 493
Mines
anti-personnel
foot injuries, 1991–1992 war against Croatia, 177
Mobile Army Surgical Hospital
support of UN protection force
orthopedic surgery, former Yugoslavia, 199
Modeling
mathematical
predictions, intensive care unit census, 227
Modified Transition Difficulty Scale
maternal coping/social support/parenthood transition difficulties
first-time civilian and military mothers, 28
Monoclonal immunoradiometric assay
microparticle immunoenzymatic assay and
characterization and comparison, detection of prostate specific antigen, 416
Morbidity
Persian Gulf illnesses
preliminary neurological impressions, 505
Mothers
first-time civilian and military
maternal coping adaptations/social support/parenthood transition difficulties, 28
M17 protective mask
contact urticaria and
case report, 536
Myocardial infarction
acute
U.S. Air Force aeromedical evacuation, Europe, review, 491

N

Narcissistic personality disorder
as mediating factor
post-traumatic stress disorder, case report, 40
National Institutes of Health
radiation safety training program, 115
National Naval Medical Center
Measures of Effectiveness
methodology for integrating planning/measurement/continuous improvement, 189
Navy
hearing conservation program
effectiveness, 219
HIV-positive test results
emotional and psychological reactions, 85
inpatient care
USS Forrestal aircraft carrier battle group, 273
Marine Corps and
wisdom tooth surgery, intravenous sedation, aircraft carriers, 398
obesity treatment program
evaluation, 326
Neurology
preliminary impressions
Persian Gulf illnesses, 505
Neurosis
psychosis/post-traumatic stress disorder and
Million Clinical Multiaxial Inventory II profiles, compensation and pension evaluations, 493
Nitroglycerin
heparin and
simultaneous intravenous administration, effect on partial thromboplastin time, 449
Nurse midwives
certified
twenty years of military service, 401
Nursing
Army
Operation Restore Hope and, 179
components of health
levels of risk as, development of conceptual model, AMSUS 1994 Federal Nursing Service Award, 151
JCAHO survey
preparation, 344
Navy
combat and, casualty processing unit, Operation Desert Storm, 614
Nutrition
support approaches
battle casualties and trauma, military practice and civilian lessons, 312

O

Obesity
Navy treatment program
evaluation, 326
Occupational Health Partnership Program
new paradigm
occupational health services, 489
Okinawa
mosquito vector abundance
relevance to disease risk, 172
Operation Babylift
Vietnam
humanitarian mission, reflections 20 years later, 584
Operation Bright Star '94
acute gastroenteritis and diarrhea
pathogen survey, U.S. military personnel, Cairo, Egypt, 331
Operation Desert Shield
Operation Desert Storm and
IRR personnel in, mobilization and rejection of, U.S. Army quartermaster post, 240
soldiers in predeployment alcohol and drug abuse program, performance, 631
orthopedic casualties
activated National Guard mechanized infantry brigade, 128
Operation Desert Storm
ambulatory mental health services and
U.S. Army combat support post, 507
casualty processing unit
Navy nurses and combat, 614
fleet hospital
medical department operations, 391
Gulf War-era service personnel
physical health symptomatology, Pennsylvania and Hawaii, 131
Operation Desert Shield and
IRR personnel in, mobilization and rejection of, U.S. Army quartermaster post, 240
soldiers in predeployment alcohol and drug abuse program, performance, 631
Operation Just Cause and
reconstructive surgery during, 69
Persian Gulf illnesses
preliminary neurological impressions, 505
prisoner of war camps
sanitation and environmental issues, 483
U.S. prisoners of war
orthopedic injuries, descriptive analysis, 175
Operation Just Cause
Army Ranger unit
Injuries and illnesses in, 373
Operation Desert Storm and
reconstructive surgery during, 69
Operation Restore Hope
prescribed medication use
troops in Somalia, pharmacoepidemiological analysis, 571
Somalia
Army Nurse Corps and, 179
Ophthalmic laser program
initiation
VA outpatients, 381

Oral hygiene
military conditions
xylitol as plaque-control agent, Finnish Army, 256
Orthopedics
foot
accessory bones, clinical significance, 464
foot injuries
anti-personnel mines, 1991–1992 war against Croatia, 177
injuries
U.S. prisoners of war, Operation Desert Storm, descriptive analysis, 175
Operation Desert Shield injuries
activated National Guard mechanized infantry brigade, 128
surgery
MASH unit in support of UN protection force, former Yugoslavia, 199
Otorhinolaryngology
after bombing attempt
Djibouti, 467
Outbreak
California
global diagnostic challenge and, coccidioidomycosis, 304
Outpatient visits
model and methodology
medical staff resources, 77
Ovaries
cancer
clinical predictors in pelvic mass evaluation, 233
Oxygen therapy
hyperbaric chamber
glucose monitoring devices in, evaluation, 143

P

Pain
orofacial
ill-fitting dentures and, case report, 366
psychological distress and
soldier complaints in specialty military medical clinics, 213
Palsy
posterior interosseous nerve
machine gunner, 364
Parenthood
transition difficulties
maternal coping/social support and, first-time civilian and military mothers, 28
Partial thromboplastin time
nitroglycerin and heparin
effect of simultaneous intravenous administration, 449
Patient satisfaction survey
Irwin Army Community Hospital
changing delivery of services and, 486
Pelvis
malignancy
laparoscopic lymph node dissection, evaluation and management, 462
mass
evaluation, clinical predictors of ovarian cancer, 233
Personal protective equipment
respirators
occupational health, update, 168
Pharmacists
counseling
medication knowledge and compliance, 561
Pharmacology
20 commonly dispensed medications
U.S. military installation, significance to dentists, 513
Photography
35-mm images versus digital imaging
comparative study, 470
Physical Evaluation Board
amputation and
soldiers' return to active duty, 82
Physical examination
U.S. Army recruits
epidemiology of ametropia, 89
Physical fitness
submaximal bicycle ergometry testing
false-positives reduction, behavioral and environmental intervention, 347
Physicians
family
Army, satisfaction, 501
Pilots
trainees
time-limited visual resolution evaluation, 279
Plaque
xylitol as control agent
military conditions, Finnish Army, 256
Policy
AMA evolution
veteran health care, 518
Poliomyelitis
mechanical ventilators for
comparison, 293
Pontomedullary junction lacerations
severe cervical hyperextension
spastic quadriparesis/dysarthria/dysphagia after, case report, 94
Post-traumatic stress disorder
delayed immediate-onset combat-induced
clinical characteristics, 425
different traumatic experiences
effect on development, Croatia, 635
narcissistic personality
as mediating factor, case report, 40
psychotic/neurotic and
Million Clinical Multiaxial Inventory II profiles, compensation and pension evaluations, 483
valproate in
alternative medication, case report, 318
Vietnam-era veterans and
avoidance of VA mental health services, 136
Preeclampsia
severe
presentation of partial hydatidiform molar pregnancy of less than 20 weeks, case report, 42
Pregnancy
delayed-interval delivery
failed attempt, clomiphene-induced quintuplets, case report, 646
ectopic
second trimester uterine atony imitating, MRI diagnosis, case report, 534
labor analgesia policy
intrathecal narcotics and comfort, high-quality U.S. Army health care, 217
partial hydatidiform molar
presentation with severe preeclampsia, before 20 weeks gestation, case report, 42
Preventive services
clinical
accountability and, 297
Prisoners of war
American women
World War II, Philipines, 558
camps
Operation Desert Storm, environmental issues, 483
U.S.
Operation Desert Storm, orthopedic injuries, descriptive analysis, 175
91C program
Army Reserves
readiness augmentation, 203
Propaganda
North Korea
bacteriological warfare allegations during Korean War, new studies disputing, 97
Prostate specific antigen
microparticle immunoenzymatic assay
characterization and comparison with monoclonal immunoradiometric assay, 416
Pseudocyst
inflammatory
association with Hirschsprung's disease and trisomy 21, case report, 477
Pseudofolliculitis barbae
management
close shaving in black men, 263
Psychiatry
adult attention-deficit hyperactivity disorder
three cases, 473
inpatient costs
CHAMPUS, military versus contractor management, Fort Polk experience, 242
stress and arousal
combat support hospital deployment, 581
support
528th Combat Support Stress Center helping 46th Combat Support Hospital after ambush, Somalia, 275
Psychological distress
pain complaints and
soldiers in specialty military medical clinics, 213
Psychological functioning
soldiers
under chronic stress, soldier effects of family member illness, 457
Psychosis
neurosis/post-traumatic stress disorder and
Million Clinical Multiaxial Inventory II profiles, compensation and pension evaluations, 493

Q

Quintuplets
clomiphene-induced
delayed-interval delivery, failed attempt, case report, 646

R

Radiation
safety training program
National Institutes of Health, 115
Rations
six-day weighed military
dietary fiber content of, 438
Readiness
Army Reserves
91C program, 203
Reasoned action
application to barriers to mammography screening
military beneficiary population, 431
Rescue workers
collision at sea
Swedish Royal Navy, social support for psychological stress reactions, 323
Respiratory protection
occupational health
update, 168
River crossing
Croatian Army brigade offensive action including
medical corps support, 408
Rotor strike
helicopter
degloving injury, case report, 644

S

Sanitation
environmental issues and
prisoners of war camps and, Operation Desert Storm, 483
Seasonal Pattern Assessment Questionaire
seasonal symptoms
sub-Arctic, 110
Sedation
intravenous
wisdom tooth surgery, aircraft carriers, 398
Self-care
styles
military veterans, 521
Serum lipids
reduced fat intake and
U.S. Military Academy, healthy young men and women, 527
Sexual development
early
hormone-containing cosmetics and, 628
Shaving
close
pseudofolliculitis barbae management, black men, 263
Shoplifting
military
psychiatric theories, literature review, 404
Sleep
stress and arousal
combat support hospital deployment, 581
Smoking
alcohol use and
military retirees, 74
cigarettes
prevalence, male veterans with chronic spinal cord injury, 308
Social work
clinical practice
U.S. Army, update, 283
Somalia
Cambodia and
Australian soldiers in UN missions, doxycycline with or without chloroquine, malaria prophylaxis, 443
Operation Restore Hope
Army Nurse Corps and, 179
528th Combat Support Stress Center
helping 46th Combat Support Hospital after ambush, 275
troops in
prescribed medication use, pharmacoepidemiological analysis, 571
Spondylolysis
presumed traumatic
nonoperative treatment, young patients, 553
Squamous cell carcinoma
oral
risk factors and clinical signs, report on 222 cases, 319
Stress
chronic
soldier functioning, effects of family member illness, 457
critical incident debriefings
528th Combat Support Stress Center helping 46th Combat Support Hospital after ambush, Somalia, 275
psychological reactions
rescue workers after collision at sea, Swedish Royal Navy, 323
Stress Arousal Checklist
sleep
combat support hospital deployment, 581
Stroke
motor recovery after
neuropharmacological therapy and, 223
Strokes
carotid atherosclerosis and
current management, 107
Sub-Arctic
seasonal symptoms
Seasonal Pattern Assessment Questionaire, 110
Submaximal ergometry testing
submaximal
false-positive reduction, behavioral and environmental intervention, 347
Suicide
high-velocity impact water trauma
Golden Gate Bridge history, Letterman Army Medical Center, 197
military
1980–1992, 45
Sunlight
temperature and
seasonal sub-Arctic symptoms, 110
Surgery
aortic transection
secondary to rodeo injuries, case report, 422
Korean War
general surgeon's two-year MEDDAC experience, 626
midazolam for premedication of children
comparison of rectal to intranasal administration, 579
military
certification, 100
orthopedic
MASH unit in support of UN protection force, former Yugoslavia, 199
Požega Medical Center
East Croatian hospital unaffected by direct war activities, war-related transformation and work, 604
reconstructive
Operations Just Cause and Desert Storm, 69
training status
German military, 359
vascular infection
exceeding the threshold, 609
wisdom tooth
intravenous sedation for, on aircraft carriers, 398

T

Technology
advanced
battlefield trauma care, 1
battlefield trauma care, Far Forward Telemetry, 545
dental
application to hand rehabilitation, case report, 420
